## Clear your mind with pencil and paper puzzles

Perhaps the simplest way to erase negative thoughts and reduce stress is to distract yourself by focusing on some other thought, interest, or activity that holds and redirects your attention. Try these stress-busting puzzles.

### Instructions:

Draw each of the following figures, in one line, without crossing or retracing a line, or lifting your pencil.

**Tip:** this solution requires folding the paper.

These puzzles are from *Harry Houdini's Book of Magic: Fascinating Puzzles, Tricks and Mysterious Stunts*.
